

Daisy – I have a home!

I arrived at Godbey Creek Canine Rescue to find plenty of playmates and a nice warm bed to lay my head. I get along great with my playmates and love human attention. I'm a pocket beagle weighing that stands 13" at the shoulders and weighs 22 lbs. I'm a little cutie!

THANK YOU to my wonderful new parents for giving me a chance and a home. And, thank you to the HEART team from Colombia, SC; supporters from Watkins Glen, NY; and the team at Godbey Creek. It takes a village!
