

Diamond – ADOPTED!

I'm thrilled to have found such a wonderful home!

I love to run, play and sit for my treats. Summer is my favorite time because I can give myself a bath every morning and go swimming.....
.....I'm a waterbug!

Thank you to my new parents for giving me a fantastic home. And, thank you to the many people who worked hard to save me from being put to sleep including the friends, supporters and employees of the Beaufort County Animal Shelter and the staff and employees of Godbey Creek Canine Rescue.
