

Whoohoo!!!

I'm thrilled to have a home!!!

My new Dad works from home and has a wonderful soft bed and a new friend just for me to enjoy. I've just learned what a dog bed is and, besides food, it's the best thing in whole wide world. No more living in metal hunting crates or being bred unmercifully.

Thank you to my new Dad & his family for giving me a chance to live out my life in peace and comfort and for providing my first FOREVER home. Thank you Brunswick County Animal Shelter for helping with the logistics to get me to safety. Thank you to everyone on the Godbey Creek team for protecting me, providing veterinary care, food & housing and for placing me with love. It takes a village!
