Yipee!!! I've been adopted!

My new Mom and Dad are crazy about me and think I'm so beautiful. I arrived at my new home to find plenty of toys, a nice bed and a wonderful new Mom and Dad to love and care for me.

I began my house and leash training about a week ago but I know Mom and Dad will show me the ropes as they plan to take me everywhere.

What a lucky dog I am to have found such a wonderful home!!!
