

Rocky!!

Wow! Can you believe I found a home with ten fenced in acres and several canine play companions? I even sleep in the house at night! It's a wonderful life compared to the first four years that I spent tied to a tree outside.

Because delicious things come from the kitchen, it is my favorite room in the house. I sleep right in front of the frig in case it is opened for any reason. My days are spent playing on the farm and relaxing when I'm tired.

What a great life! Thanks to my new parents, the Davie County Animal shelter, and Godbey Creek Canine for this wonderful home.
