

Wow. Did I land a fantastic home with two full acres, my own personal bed, plenty of toys and shoes and a wonderful new Dad. EVERY dog should be this lucky!

What a long journey I've been on starting with my previous owner giving me up to a high kill shelter in another state, then coming to Godbey Creek and now to my 'forever' home. I am ONE LUCKY DOG!!

A big and special thank you to my new Dad for providing me a wonderful and loving home, to Jen Mortimer and Mary Lou Seymour for working tirelessly to find a financial sponsor to get my medical addressed AND find a rescue to take me in and train me and to Godbey Creek Canine for Protecting, Providing, Promoting and Placing me.

Paws and Hugs,  
Maggie
