

Hi! My name is **Zach** and I'm a Jack Russell mix. A kind gentleman rescued me from the animal shelter and Godbey Creek wants to find me a great home. I am leash trained, crate trained and will be house trained before I go to my new family.

I'm a tad frightened but coming out of my shell a little more everyday. I have had all my vaccinations, been neutered, am heartworm negative and am on heartworm and flea preventative. I get along well with my new canine friends but am not sure how to play yet. But I'm sure they will teach me.
